

The properties are available for 8 days and 7 nights only. If you choose a property with the all-inclusive package, we will pay for the property, but you will need to pay just for the daily package rate, which ranges from \$50.00- \$125.00 a day for all meals, domestic beverages, and non motorized sports. If you choose a property that does not provide an all-inclusive package, then you do not need to pay anything at all.

Here is the list of all the destinations available to you: they are listed by State/Country and then the cities separated by commas that properties are at.
